Dear Bob:

25X1A

Reference your TWX #4878 and our TWX #796. Attached please find three copies of a listing of equipment which will be required at the [Redacted] for operational use. This listing is exclusive of the items on the UAL IBM listing which was furnished us during our visit at your facility on November 6.

The items on the listing which are noted as "to be supplied by CH" are available here. The other items will necessarily have to be procured.

Regards,

[Redacted]

Charlie
